HOSPITALS & HEALTHCARE CENTERS: SIX REASONS TO ACQUIRE MULTIVIEW FINANCIALS

It's more than just our accounting system.
I use Multiview for 99% of my information and data analysis needs,
and it's 100% reliable.

Theresa Tabor Controller, Mt. Ascutney Hospital

1. EMR360 with Advanced Revenue Cycle Visibility:

- Daily, hands-free auto-reconciliation
- Patient level charge and demographic data
- Tools to automatically generate statistical data for KPI trend reporting and cost accounting
- Drill-down from financial statements to EMR360 supporting data with single click
- Real-time analytical pivots and dashboards of all data

2. Cost Accounting:

- Provides true Procedure Costs by combining all components (overhead, labor, supplies, etc.)
- Collection of Direct and Indirect Costs
- Derive procedure-based RVU/WRVU Values
- Costs allocated back to Revenue Line Items-Prorated by RVU

3. HIPAA Compliant

- Multiview's industry leading Cloud ERP software allows access to detailed patient charge data with the security of patient record safety.
